Tier 1 - Concierge Level: $325

What better way to meet and network with your peers than early morning priority check. This permits you to bypass the long lines at the registration desk and go straight to your reserved seat allowing a little more rest before an exciting conference day. An MCHC personal concierge will assist you during the three-day event including a gift bag with a daily continental breakfast, hot coffee made to perfection and ice cold bottled water throughout each day of the conference while snuggled up with an MCHC concierge blanket. Concierge guest will not need to worry about printing presentations and organizing them ahead of the conference as they will receive a conference binder containing all presentations including those you are not able to attend. Concierge attendees receive a high-quality tote bag containing a zipper to secure sensitive materials. Many pouches lining the outer sides of the bag provide for easy storage and access to cell phones, pens, business cards and more. Be on the lookout for special treats and amenities throughout the day as your personal concierge strives to make your conference experience a comforting and memorable one.

Tier 2 - Standard Level: $199

Our Standard registration knocks it out of the ballpark with our original open-seating style (open, first come first serve, with a table) while providing links to printable presentations. This is most familiar to those that have attended an event in the past as it was our signature conference registration providing an informative and fun conference experience at an affordable rate.
Joseph Newsome, CPC, CPC-H, CPCO, CPMA, CPPM, CPC-I, CEMC
President / Senior Instructor

Joseph, of St. Augustine, Florida, is a well-known member of the coding and compliance community, with over 16 years of progressive and diverse responsibility in Academic Institutions, including operations management, administration and compliance.
